Uniform Guidelines

LORETO COLLEGE
Marryatville, South Australia

Uniform Guidelines

- Winter uniform is to be worn in Terms 2 and 3 of the school year. The outer garments must be the blazer when traveling to and from the College.
- Summer uniform is to be worn in Term 1 and 4 along with the College straw hat to be worn when travelling to and from the College. If an outer layer is required when travelling to and from the College, then this must be the College blazer, jumpers may be worn as an outer garment whilst at school.

PE Uniform (or specific sports uniform) must be worn in PE lessons and to all training and games. No other hoodie, tracksuit top or outer garment is to be worn with the PE/sports uniform.

General Guidelines

College blazers are to be worn to and from the College every day when wearing the Winter uniform. When wearing the summer uniform, blazers are required when travelling to and from school if an outer layer is required due to weather, on days when students attend Chapel, Mass or Senior School Assembly or as directed on special occasions. Students are expected to wear their full College uniform (winter or summer) when traveling to and from the College.

In Senior School, if students have PE or sports training that day, they will bring their sport's uniform in a sport's bag and change into it and then change back to full uniform to travel home at the end of the day. For instances of before school sport training, girls can wear their sport uniform to school but must change into their full Summer or Winter uniform before the commencement of the school day. Junior School students may wear their PE uniform to and from school on the days they participate in PE lessons or sport trainings.

In Junior School, students are to wear the College Straw Hat to and from the College in Terms 1 and 4. The College broad brimmed sun hat is to be worn during recess, lunch and physical education lessons in Terms 1 and 4 and also when the UV level reaches 3 and above (the Sports cap is only to be worn during co-curricular sporting activities).

PE uniforms only (or specific sports uniforms) are to be worn to all PE lessons, training and sporting games when representing Loreto College without any other garment underneath or over the top including no hoodies, unless a school issued hoodie. House Polo shirts are worn at swimming and athletics carnivals as well as other designated College House events.

College jumpers, including the Year 12 white jumper, are not outer garments to wear with the College uniform when coming to or going from the College and they may only be worn while at the College or underneath the College Blazer when inside or outside of the College.

College Straw Hats (or Sports caps if in sports uniform) are to be worn outside throughout Terms 1 and 4. This includes recess, lunch, physical education lessons and after-college play. Outdoor co-curricular activities also require students to wear a College hat to suit the sport or activity.

College bags and sports bags must be purchased from the uniform shop and feature the College crest.

Ribbons must be worn every day with the College uniform – white in summer and blue in winter. In winter, students from R-11 can wear a saxe blue scarf, while Year 12 students wear a cream scarf.

College shorts can be worn instead of the winter tunic or summer dress. In summer, shorts are worn with Loreto white short sleeved summer shirt and Loreto white short summer socks. In winter, shorts are worn with the long sleeved winter shirt and Loreto long saxe blue socks or saxe blue tights or stockings. Same rules for blazer and jumper applies. Long pants are available for winter for Senior School students and can be orderd from the Uniform Shop (sample sizes are available in store to try on).
