## About Loreto

The Mission Statement for Loreto Schools of Australia states:

*A vigorous belief in the capacity and responsibility of women to contribute significantly to society and to the church underlies the emphasis in our tradition on the education of girls.*

*It builds on Mary Ward's conviction that 'women in time to come will do much' and is inspired by her independence of spirit, her strength of mind, her tenacity and her courage in breaking new ground. Yet, for all her passion to redress an imbalance, her fundamental belief was that men and women alike found their deepest truth and ultimate value in God. There is still an urgent need today to recreate the vision of what it is to be fully human, for men as well as women. It is therefore our task to educate beyond the stereotypes. It is our hope that those involved in our schools will act freely, courageously and in a spirit of collaboration to affirm the dignity of each individual and to further the cause of human rights.*

*This is our vision: that Loreto schools offer a Catholic education which liberates, empowers and motivates students to use their individual gifts with confidence, creativity and generosity in loving and responsible service.*

All Loreto schools in Australia share the same set of values: freedom, justice, sincerity, verity and felicity. These values are at the heart of our educational philosophy and shape our identity as a school.
