Celebrating 120 Years of Loreto College Marryatville

Sponsorship Opportunities

The Acacias Legacy

The heritage of Loreto College is an inspiration for all our students, guiding our values and mission.

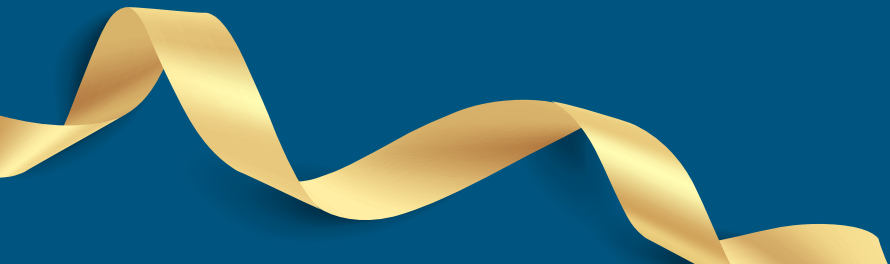

The Acacias building, which was constructed in 1877, became the heart of Loreto College in 1920. Originally a home for boarders, the building holds memories for many. As we proudly celebrate our rich history, it is essential that we raise funds to preserve the Acacias' structural integrity for future generations.

This magnificent building embodies the spirit and values of our College, which are central to our identity.
